MEMO ENDORSED

Re: Williamson v. Verizon, et al., Case No. 1:11-cv-4948-LTS-HBP

Dear Judge Swain:

We represent Plaintiff Richard A. Williamson, on behalf of and as Trustee for At Home Bondholders' Liquidating Trust, ("Plaintiff") in the above-referenced action, and write to respectfully request permission to file documents containing confidential information under seal. A protective order has not yet been entered in this case, although the parties are actively preparing and conferring on a form of a stipulated protective order to be submitted for the Court's consideration.

We are filing a motion to amend Plaintiff's Patent L.R. 3-1 infringement contentions pursuant to the Court's grant of our application for leave to move to amend on September 27, 2012 (D.I. 138). The memorandum in support of our motion to amend and one of the exhibits that we seek to submit contains information that has been designated highly confidential. Plaintiff has good cause for this request because this information has been designated highly confidential by the AT&T defendants. We have conferred with counsel for the AT&T defendants in good faith and AT&T does not oppose this request to file under seal.

Respectfully submitted,

Joshua L. Raskin

*The request is granted.
A redacted copy of the
Memorandum must
be filed on ECF.*

SO ORDERED.
